*Quick 'n Thick is not designed to remove heavy calcium stains. To remove heavy calcium build-up from swimming pool tile, use Bio-Dex 300 Tile Cleaner.*

### QUICK 'N THICK TILE CLEANER

#### CAUTION

Corrosive! Quick 'n Thick contains Hydrochloric and Phosphoric Acid. Do not get on skin, clothing, or in eyes.

#### FIRST AID

For eyes: If splashed in eyes, immediately flush eyes with large amounts of water for 15 minutes and call a physician.

For skin: Wash skin with plenty of soap and water for 15 minutes and rinse with plenty of water for 15 minutes. If irritation develops see a physician.

For clothing: Wash clothing before reusing.  
For spills: Flush to waste with plenty of water.

#### STORAGE AND DISPOSAL

Store in a cool place in a secured area away from children. Keep container tightly closed and away from food and beverage. Rinse container when empty with water and discard in trash.

Quick 'n Thick is specifically directed to cleaning dirt, grease, oil, stains, suntan lotions, and body oils from swimming pool tile. It is not designed to remove heavy calcium stains. (To remove heavy calcium build-up from pool tile use Bio-Dex 300 Tile Cleaner.) It is always best to test on an area in an inconspicuous place for satisfactory results prior to proceeding.

Quick 'n Thick may also be used to clean spas, pool equipment and vinyl.

Quick 'n Thick is formulated so user may thicken this product to their own desired viscosity. Just add one or two ounces of Muriatic Acid to a gallon of Quick 'n Thick. There are no fumes to Quick 'n Thick and it is bio-degradable.

#### DIRECTIONS

Always use rubber gloves and protective eye goggles when using Quick 'n Thick. Quick 'n Thick may be used as is or diluted up to 50 parts water to 1 part Quick 'n Thick for light cleaning.
